

16 January 1959

Lakehead Amateur Radio Club

The January monthly meeting of the Lakehead Amateur Radio Club was held in the Civil Defence Building January 16th, 1959.

The meeting was called to order at 8:30 pm with President Harold Dow - VE3DBI in the Chair.

A roll call revealed sixteen members and two visitors present.

The minutes of the previous meeting were read by the Secretary, Frank Start - VE3AJ. These were passed for adoption on motion of Bill Roberts - VE3ARN, seconded by Bill Blennerhassett - VE3AGA.

The proposed Tuesday work night was discussed. It was moved by Bill Roberts - VE3ARN that a Work night be established on the first (*Tuesday*) day of each month to allow members to work on Club or personal projects or use the station equipment. This was seconded by Bill Blennerhassett - VE3AGA. Motion carried.

President Dow proposed that the Club should investigate the possibilities of having the Department of Highways issue car license plates to amateurs bearing their call letters. The Secretary was instructed to see what is being done in this regard by other clubs or individuals in the Provence.

A discussion regarding annual membership dues resulted in the matter being referred to the Executive. This was also to include a proposed renewal of the Associate Member classification.

Les Harris - VE3AYZ gave information re activities of other C.D. stations on the 75 metre band.

Meeting adjourned about 11 pm for coffee etc.
